## WELCOME TO BROMSGROVE INTERNATIONAL SUMMER SCHOOL

One of the UK's oldest and finest independent Schools (founded 1553), Bromsgrove offers Summer School participants the chance to form friendships for life with students from all over the world and experience a truly traditional British boarding school way of life.

Our English and Activity programmes for students aged 10-17 will share common aims: to provide young people with the opportunity to learn English, develop their social skills, improve their cultural awareness through various excursions to London, Oxford, Warwick Castle and Stratford-upon-Avon, and most of all, have fun taking part in sports, activities, and clubs, all while studying at Bromsgrove. Students who are not native English speakers, but studying in the international education system, will enhance their English competency joining various activities with our British day students. It is strongly recommended that students considering studying abroad and away from their parents build their confidence in a truly international atmosphere under a British pastoral system.

With world class education and sporting facilities, and its own residential, sports and pastoral staff, Bromsgrove International Summer School aims to provide the best possible experience for its students.
