ENGAGE

MUN

Compete internationally for Bromsgrove at the Model United Nations!

The model U.N. is an international competition that brings the brightest and best students from around the world together to debate key world issues and discuss international politics. By getting involved in the model U.N. you will:

- Develop your debating and negotiation skills
- Contribute to your Bromsgrove Award
- Compete against other schools from Thailand and around the world
- Enhance your leadership skills
- Improve your C.V. and increase your chances of attending a top University

If ending world conflict and preserving human rights is important to you then get involved with the Model U.N. now!

Environment Club

There is a garbage patch in the Pacific Ocean twice the size of France and it is estimated that by 2050 there will be more plastic in the sea than fish! Education is the best way that we can help solve this and Environment Club is going to try to do our bit. Activities will range from environmental campaigning to science experiments that assess the state of our immediate environment. Come along and do your bit to help save the world.

Scrabble Club (Max 10-12 students)

Scrabble- the game that helps your English while you demolish your friends! Learn new words, from "ZA" to "INTERFEROMETERS". Anyone can play, even if your English ability is low! Any level can join, from beginners to more advanced players.

CREATE

Beginner Guitar

Start learning guitar by learning some fun tunes. Open to beginner guitarists. Maximum of 8 students with priority given to new students.

Chess Training School

Become a Chess Ninja! Learn a new opening and closing move each week to become the Bromsgrove Grand Master of 2018! The most skillful players will be awarded medals, trophies, prizes and glory! You will take part in the first ever Bromsgrove Chess Championship and earn your place in history.

Secondary Choir

Secondary Choir provides opportunities for all students to sing together, learn new music and perform for others. Singing in a choir helps all musicians to develop their listening and ensemble skills, but there are also many non-musical benefits. Singing is scientifically proven to benefit your health and to have the same positive effects on your wellbeing as yoga. So whether you want to further your musicianship, or find a new way to help you have fun and relax, Secondary Choir is the perfect choice for you!

Animation Design

The 12 Principles of character and fx ANIMATION traditionally on paper! Design/Illustrate everything you can imagine with design fundamentals (characters, cartoons, vehicles, locations, backgrounds etc..) Learn how to tell stories and direct your movie with sequential art! (comic books, graphic novels, storyboards) Core subjects include Anatomy, Perspective, Animation principles, Storytelling, Design, and Illustration. Be prepared to work hard, but laugh loud!

Songwriting and Music Production (Years 9-13)

Do you want to have a go writing your own piece of music or song? This ECA is aimed at developing composition and songwriting and using the Macbooks to bring your ideas to life.

ACTIVATE

Football (Years 7 and 8)

Mr. Reilly is coaching U13 football once again! This ECA is suitable for students who want to improve their fitness and football skills. You must be willing to run around in the sun, and give 100% effort!

Basketball (Years 10-13) (Max 16 students)

This basketball ECA is a chance for you to develop and apply basketball skills to game situations. If you think that you would like to be part of the basketball team that competes in the TISAC competitions during Term 1 then this is a great opportunity to train with other students and to learn and practice key skills and movements.

Swimming

If you come and join this ECA swimming you will be able to improve your stamina and swimming strokes for half the ECA then we will be playing water games where you can work within a team and show the skills that you have!

Running Club

For students with an interest in running or for students who just want to improve their speed and/or endurance, this is a great ECA to choose.

Hula Hooping (Max 15 students)

Do you want to get fit, learn a new skill and... have some serious retro fun while doing it? Then hooping is the ECA for you!! Hooping helps build core strength to make you stand taller, improve balance and build stamina. It will enable you to build confidence in a safe environment through creative self expression with a dance partner who won't complain when you step on their toes! Why not take a risk and try something new this term?
