28 January 2021

Dear WP Campus parents and guardians,

Subject: School Reopening from Monday 1st February 2021

I am very pleased to announce that both our EY and WP campuses will fully re-open to all classes on **Monday 1st February 2021**, following the Ministry of Education's official announcement yesterday that schools can reopen. We will also continue to follow any future MOE/CCSA announcements and guidance on campus operations moving forward.

We will continue to remain vigilant against the spread of infection and so we ask everyone to adhere to our standard campus operational protocols that we have already established in Term 1:

- If your child(ren) has a fever or any of the COVID-19 symptoms, please keep them at home.
- Keep your social distance, wear a face mask at all times when on campus (including when in the car park area) and wash your hands regularly.
- Regular temperature checks will continue, including upon entry to both campuses, where hand gel will also be distributed.
- Outside food, including snacks and food deliveries will not be allowed.
- Face masks must be worn at all times on the school bus.
- **The previous Term 1 drop-off, collection and campus entry protocols will remain in place for parents for Term 2, to reduce the number of people on campus.**
- Secondary students may be dropped-off and enter campus from **07:00**
- Primary students may be dropped-off and enter campus from **07:20**
- Only Year 2 parents are allowed to go with their children to drop off at the classroom in the DJ building in the morning.
- In the afternoon, Primary parents must wait in the Tee Bar foyer area until the end of the school day/ECA's finishing, before proceeding to the DJ building to collect their children from the Primary classroom.
- The playground area is closed for all day students after the school day has finished.
- No Secondary parents are allowed on WP campus at any time, unless attending a coffee morning, visiting the school shop, visiting the Finance Office or attending a booked appointment.
- After morning drop-off and afternoon collection, parents must not remain on any part of the campus, including the car park area on WP Campus, to talk and socialise with other parents.

As we prepare to reopen, both our school campuses will be thoroughly deep cleaned this weekend. If you suspect you or any of your family members have been in contact with a COVID-19 case within the last 14 days, please contact the school to inform Khun Ann in the SIC at adminSIC@bromsgrove.ac.th of this matter and do not send your child back to school next week.

ECA Programme and Academies

On Monday 1 February 2021, our full ECA programme will commence as usual. However, the additional paid academies on WP Campus, such as Swimming, Football and Chinese, will not commence until w/b Monday 8 February 2021.

Boarding Students Return

Our boarding houses have been fully operational since Online Learning commenced, with over 50 boarders being supervised on campus and it is expected that **all** our boarding students will return to campus by Sunday 31 January 2021, ready for the resumption of school reopening on **Monday 1 February 2021**. Please liaise with Mrs. Tweddell, Head of Boarding at headofboarding@bromsgrove.ac.th regarding your child's arrival date.

School Fees Payment

Please ensure that you have paid your child's fees **in full** by Monday 1 February 2021 at the very latest, as we have a small number of families that have not yet settled their Term 2 fees in full or agreed a payment plan with me. The timely collection of school fees is the only way to ensure our wonderful school remains fully operational each term. If you are not able to settle your fees in full by this date, please contact me via Khun Nancy, my PA at pa.hm@bromsgrove.ac.th.

I look forward to seeing all our students back on campus on Monday morning!

Warmest Regards,

Dr Dan Moore
Headmaster & CEO
